business in a niche market with a
huge income potential**

...it's all about Results!

What's Happening with U.S. Businesses?

- **NAFTA opened the door to lost jobs overseas**
- **U.S. jobs are being out-sourced and shipped overseas at an estimated rate of 2.2 million jobs in 2004-05**
- **...including Administrative, Technical Support... and selected Middle Management positions...**

Look at the Trends

Companies are laying off thousands of employees...620,000 since 2001

Corporate Corruption is a \$35 billion problem with Massive Bankruptcy

Cost Pressures Squeeze Profits

Mergers & Acquisitions result in huge down sizing requirements: AT&T, Verizon, EXXON, and many others

The only Guarantee is *There Are No Guarantees*

Why are people taking charge of their destiny?

“...I was tired of working for someone else...”

“...I cannot build personal wealth by being on a company’s payroll...”

“...I need more time with my family...”

“...I want to control my destiny...”

....it's all about Results!

NO Guarantees

“Baby Boomers are hitting retirement age”

**“...You better believe there is a Glass Ceiling!
...with blatant age discrimination”**

**“...I have 25+ years experience with a good
‘retirement’... ”**

“...BUT I’M TOO YOUNG TO RETIRE ! ”

“...Technology advances are replacing people!”
